

Trustee(s) Required

hope trust is a local, dynamic, Christian faith based charity working in Felixstowe and the surrounding villages. Our aim is 'helping older people' but we actively serve anyone aged 50+ and have a particular focus on the relief of loneliness.

We are looking for at least 2 people to assist us in our leadership of the charity as we continue to develop our work in the local community, impacting positively in the lives of older people. This exciting opportunity will also allow the new Trustee(s) to develop their leadership skills, whether new or established.

The voluntary role, whilst not onerous, will require the successful Trustee to sign up to our Statement of Faith, attend a minimum of 4 evening meetings per year (approx 2 hours each time), hosted at our office in Maidstone Road, as well as representing the charity at occasional social, church or fundraising events. Whilst specific skills are useful e.g. finance/governance the willingness to serve in an active capacity and being willing to gain new skills along the way, is highly valued.

To find out more please ring the hope trust office, in the first instance, on 01394 272592 or email info@hopetrust.org.uk You can download the application form from our website: www.hopetrust.org.uk/howyoucanhelp or write to the hope trust office for a paper copy.
